PROFILE

Driven and passionate final-year ICT Applications Development student specializing in React, React Native, PHP, and UI/UX design. I began my journey in the tech industry eager to apply my skills in real-world projects and grow as a developer. Organized and collaborative, I thrive in team environments and enjoy leading projects that deliver scalable, user-friendly web and mobile applications. Committed to continuous learning, I aim to deepen my expertise in front-end and mobile development while contributing innovative solutions to challenging problems.
